

**New Century InfoComm Tech Co. Ltd.**  
**Section 214 Application**  
**Attachment 1**

**Response to Item 9:**

Applicant New Century InfoComm Tech Co. Ltd. (“Applicant” or “NCIC”) is requesting facilities-based authority to obtain interests only in facilities not excluded by the Exclusion List and to provide facilities-based and resale service only between the United States and countries not excluded by the Exclusion List. Applicant is not affiliated with any foreign carriers or administrations as defined in Part 63 of the Commission’s Rules. Accordingly, NCIC’s application for authority pursuant to Section 214 is eligible for streamlined processing under Section 63.12 of the Commission’s Rules.

**Response to Item 15:**

Pursuant to Section 63.18(d) and (e)(4) and (g) of the Commission’s Rules, the following information is provided:

Applicant NCIC is a new entrant in the telecommunications industry. It has never received authority pursuant to Section 214 of the Communications Act of 1934, as amended, to provide any international telecommunications services or operate any international telecommunications facilities (47 C.F.R. § 63.18(d)).

Applicant NCIC is requesting authority pursuant to Sections 63.18(e)(1) and (e)(2) of the Commission’s Rules. NCIC certifies that it will comply with the terms and conditions contained in Section 63.21, 63.22 and 63.23 of the Commission’s rules as appropriate for receiving this authority (47 C.F.R. § 63.18(e)(4)).

The authority requested in this application is categorically excluded from environmental processing as defined by Section 1.1306 of the Commission’s Rules. As such, an environmental assessment is not required for purposes of this application (47 C.F.R. § 63.18(g)).
